FINANCIAL CLEARANCE

Explained

What is financial clearance?
In simple terms, financial clearance is making satisfactory arrangements for the expenses associated with the cost of attendance each semester of enrollment. Financial clearance is accomplished by completing a Financial Plan in Registration Central. When this step has been completed, a green check mark will appear in the Financial Plan box.

EVERY SEMESTER.

Financial clearance will mean different things to different students. For some, it may mean creating a Payment Plan in TouchNet® and making a down payment. For others, it will mean making sure that they have all of their financial aid in place to cover their semester expenses. Sponsored students or students receiving Educational Allowance will need to make sure that their sponsorship or subsidy is documented in our office. Regardless of arrangements, every student must have their financial plan box checked.

Do I have to get financial clearance?
Short answer? Yes! Financial clearance is necessary to confirm classes and activate ID cards for the Andrews University Bookstore and Dining Services. Students living in the residence halls will need to be financially cleared before they are able to move into their dormitory room. Students who do not get financial clearance may have their classes dropped.

When do I get financial clearance?

**Fall:** July 15-August 15, 2021.
Down payment due by August 15.
Classes dropped after August 15 for those without clearance.

**Spring:** December 1, 2021-January 11, 2022.
Down payment due by December 15.
Classes dropped after January 11 for those without clearance.

Where do I get financial clearance?
Financial clearance and all other registration activity is conducted online in Registration Central. A link to Registration Central and all other processes associated with financial clearance can be found on our SFS Self-Serve page at www.andrews.edu/sfs.
REGISTRATION CENTRAL

Explained

**How does Registration Central work?**
When you login you will see boxes that represent the registration steps. As you complete each step, a checkmark will be displayed. Each box will assist in calculating your semester expenses. The Financial Plan is the last registration step.

- **Biographical Data Confirmation** - Verify your address and SSN/Tax ID information.
- **Enroll in Classes** - *Enroll before financial clearance. An invoice will be sent to your AU email.*
- **Housing** - Options displayed will be based on your eligibility.
- **Dining Options** - Options displayed will be based on your eligibility.
- **Bookstore Account** - Set up or decline a charge account for AU Bookstore.
- **Student Insurance** - Purchase student insurance or submit a waiver. Insurance waivers require verification. There will be a slight delay between submitting a waiver and box being checked off.
- **Financial Plan** - *Review your financial aid offer before proceeding.* All requirements should be completed. Accept the Responsibility Statement to receive financial clearance or enroll in a payment plan.

**What is a Financial Plan?**

A Financial Plan is the plan you will make to cover your semester’s expenses. First, confirm that your financial aid offer is complete, then click on the Financial Plan step and accept the AU Responsibility Statement. If your expenses are covered, your Financial Plan will be satisfied and a green check mark will appear.

If your expenses are not completely covered, your Financial Plan box will be empty. Click on it and you will be taken to the Student Account Center in TouchNet® to enroll in a Payment Plan and make a payment. After you accept the TouchNet® Terms & Conditions, you will be able to view the costs for the semester, your accepted financial aid, as well as your current student account balance.

To get clearance, you will need to click on the Payment Plan tab located at the top of your screen; enroll in a Payment Plan and make a payment. You will be able to set up automatic payments or to assume responsibility for making these payments on your own. Once your payment is made, your Financial Plan step will be satisfied and a green check mark will appear.
